

Beyond Shelter

Publication Order Form

The "Housing First" Program for Homeless Families: A Methodology Manual

For program developers, directors and front-line staff working with homeless families. Provides basic methodology for relocating homeless families into permanent housing *as quickly as possible*, with services provided to the family through home-based case management *after the move*. 150 + pages.

Service-Enriched Housing: Models & Methodologies

This manual explores how housing-based "services coordination" can help to stabilize vulnerable and at-risk families in permanent housing, including those who are formerly homeless, through access to crisis intervention, resource referral, and resident-driven programming. 189 pages

Family "Survival Guide"/Guia Familiar para Sobrevivir

For families to use. Easy-to-read information on household management, family relationships, tenant rights and responsibilities, money management, health care, and accessing neighborhood resources. 95 pages.

Electronic Family "Survival Guide" (for adaptation)

Save valuable time in adapting this manual for client use. Formatted in Word for Windows 6.0.

Successful Household Money Management

A curriculum guide for teaching practical information about credit, budgeting, saving, shopping wisely and other important aspects of money management. With practice exercises. 52 pages.
